Dear Friends,

Pope Francis compared the COVID-19 pandemic to a bigger threat, an even worse virus — that of selfish indifference. This virus, the Pope said in his homily, “will spread by the thought that life is better if it is better for me and that everything will be fine if it is fine for me. It begins there and ends up selecting one person over another, discarding the poor and sacrificing those left behind on the altar of progress”.

Luckily for us, there is still hope. “All is not lost. Human beings, while capable of the worst, are also capable of rising above themselves, choosing again what is good, and making a new start.” (LS 205). These are words from Pope Francis’ second encyclical, Laudato Si’, on Care for Our Common Home, impressing on us that we all need to act in a way that reflects our shared human dignity.

In this issue of our annual publication, you will not only read about the Congregation’s commitment to the Laudato Si Action Plan, but how our sisters respond to the needs of others. Through our ministries, and with the help of our extended Dominican Family, we are caring for those here at home as well as overseas.

I was recently deeply moved as I read a letter from Timothy Radcliffe, our brother and former Master General of the Dominican Order, written to our Ukrainian brothers and sisters. His profound words reminded me that whether we are in Amityville or Ukraine, we are all part of a larger world-wide community. Regardless of our perceived boundaries, we remain connected, as we are all God’s people. Timothy went on to speak of VERITAS and his hope that TRUTH can negate a “culture of lies…fueling violence”.

May I suggest that as we continue to pray for peace, especially in the Ukraine and non-violence in our communities, that Timothy’s words be an intentional source of personal and communal prayer and a petition to God who so desires peace for us all. Let us be mindful that together we can break the boundaries that restrain us and overcome these difficult times.

In continued hope,

S. Peggy McVetty, OP
Prioress

“*For even the Son of Man did not come to be served, but to serve.*” Mark 10:45

Dear Friends,

The Gospel of Mark reminds us that we are all here to serve. To live our lives in the service of God we must help build a community that cares for one another. There are many opportunities to minister – by volunteering, by sharing our talents with others, and by donating to charity.

We are so very grateful to our generous benefactors who give monetary gifts each year to help support the Sisters and their ministries. Despite the impact of the Covid-19 pandemic and resulting economic crisis, our past fiscal year was positive thanks to the financial support of our individual donors and corporations. As we move ahead, into the next fiscal year, as the pandemic remains a constant, peace not yet at hand and discord across the country, there will no doubt be challenges. Those already struggling under the weight of poverty, racism and marginalization will continue to carry a burden. But with ongoing prayers, hope and thankfully with your continued support, our Sisters and those who partner with them in mission, will be able to meet the needs for so many in our community and beyond.

May God bless our Sisters and all of you who make their work possible.

With prayerful gratitude,

Mary F. Fuchs

TRIBUTES
The Motherhouse grounds provide a lovely setting for tribute recognitions both outdoors and inside the complex. These include:

- Stations of the Cross Walkway Bricks
- Tree of Life Memorials

To learn more about these tributes, please contact the Advancement Office to request a brochure or visit us online.

DOMINICAN COMPANIONS
This program invites donors to consider a monthly financial commitment to the Sisters. Participants choose a gift amount which is deducted monthly from their checking or credit card account, and receive no other solicitations during the year. As a Dominican Companion, your donation goes further by helping reduce administrative, postage and paper costs, allowing us to more effectively manage limited resources. You may discontinue your participation at any time.

For more information, or to request a brochure, please contact the Advancement Office or visit the Congregation online at www.sistersofstdominic.org.

ENROLLMENT CARDS
The Sisters offer enrollment cards for most occasions. For a donation of $7.00, donors enroll a loved one for one year. Those enrolled share in the twelve Novenas of Masses offered annually for their intentions. Donors may request up to ten cards to keep on hand. The donation is made when the card is used. Simply fill out the intention form (which is inserted into each card) and send it along with your offering to us. We will then enroll the person as you request. Replacement cards may be ordered by visiting us online at: sistersofstdominic.myshopify.com

MATCHING GIFTS
Matching Gifts are an easy way to double or even triple your donation. Please check if your company supports employee philanthropy by offering a matching gift program. By taking advantage of your corporate matching gift program, you can maximize the value of your gift at no additional cost.
Ukraine is the second-largest country by area in Europe after Russia, with a population of approximately 42 million. Its capital and largest city is Kyiv (Kiev).

The first Dominicans arrived in Kyiv in the early thirteenth century. In 1635 a convent of Dominican Sisters was founded. The Dominican Province of Rus, an administrative unit within the Order once included much of today’s Russia and Ukraine and existed until the end of the Second World War. At that time, many Dominicans were expelled from the Soviet Union. Others were executed, sometimes entire communities.

During the Soviet period, a few Polish Dominicans came secretly to these lands to serve the people, who desperately needed pastoral care. Today, Dominican Congregations have a presence in Ukraine, as well as in the countries which surround it - Russia, Latvia, Belarus, Czech Republic, Slovakia, Hungary and Romania.

When war broke out in early 2022, evacuations began. Millions of people, both religious and lay, fled their homes and communities in a desperate attempt to survive. There were those that stayed when possible. Many Dominican Sisters opened their convent doors to refugees, working tirelessly to distribute donations of food, clothing and medical supplies to thousands of women and children.

Back home, Amityville Dominicans gave their support whenever possible. During Lent and Easter our Dominican Family gathered virtually to pray for the people of Ukraine, for the OP congregations and Dominican Sisters International who are offering assistance, for wisdom for world leaders, for health care workers and those offering humanitarian aid, for separated families, for those civilians and soldiers who have died.

With the help of our own Sisters Margaret Mayce and Marie Danaher, as well as Sister Gene Poore, the North American Coordinator of Dominican Sisters International (DSI), donations were collected to assist Ukrainian refugees. More than $5,000 was collected and sent directly to those serving this population.

We also received a message from S. Karola Dravecká, OP, Prioress of the Dominican Sisters of Blessed Imelda, Slovakia, expressing thanks for all the support she has received for the efforts she and her sisters are making to assist the refugees. Monetary funds that we collected were sent to Slovakia, which helped set up one Ukrainian classroom in the kindergarten and to support a Slovak language course for foreigners. Humanitarian aid was brought to Mukachevo, not only to refugees in Transcarpathia, but also to areas where there is fighting.

1 – The Dominican Sisters at St. Thomas Aquinas Grammar School in Kosice gather donations and supplies that are then delivered to the adjacent community of Mukachevo. Supplies are then distributed as needed.

2 – Each day the Sisters and refugees unite in prayer.

3 – Children as young as 11 months were displaced from their homes and are being sheltered by the Sisters.

4 - The Sisters welcomed children and students into their schools and set up a classroom in the kindergarten to support a Slovak language course for foreigners.

5 - S. Karola Dravecká, OP, Prioress of the Dominican Sisters of Blessed Imelda, Slovakia, expressing thanks for all the support she has received for the efforts she and her Sisters are making to assist the Ukrainian refugees.
Exploring the ancient teachings of our faith in the light of today’s ecological crisis, Laudato Si’ – Pope Francis’ encyclical on caring for our common home - teaches us that “everything is connected.” (LS 91) As our relationship with our divine Creator has been neglected, human relationships have faltered, and our world has grown hotter, less stable, and more lifeless. As a result, we all suffer, and the poorest and most vulnerable suffer above all. We face a “complex crisis that is both social and environmental.”

Pope Francis has invited us all on a world-changing journey that is both a gift and a call to action; a journey that unites us with one another in a holistic, integrated approach to put integral ecology into practice in our lives.

On Sunday, December 12, 2021, the Congregation’s Leadership Council signed the Laudato Si’ Action Platform (LSAP) Public Statement. In the document, the Dominican Sisters, Associates and Young Adults of Amityville, New York, publicly committed to respond to Pope Francis’ invitation to participate in a seven-year journey toward sustainability and integral ecology by developing a plan and concrete actions in union with the seven goals of the Laudato Si’ Action Platform.

As we accept our responsibility to care for creation, we challenge individuals, corporations and governments to respect the rights of every person; make ethical decisions and steward the environment.
In August 2022 Sister Katherine Frazier, OP, an Adrian Dominican, became Executive Director for one of our ministries, Dominican Youth Movement USA (DYMUSA).

S. Katherine grew up in the countryside of Indiana where her family has operated a farm for over 125 years. A graduate of Saint Mary’s College in Notre Dame, Indiana, S. Katherine went on to study Archaeology at the University of Cambridge in England while pursuing her master’s degree.

S. Katherine realized her calling into ministry, first through a volunteer year with Cabrini Mission Corps and then through three years as a Campus Minister at Gannon University in Erie, Pennsylvania. She has been involved with the Dominican Youth Movement conferences ever since she was an Adrian Dominican Sister candidate in 2015 and made her first profession of vows in 2018. She presented at the Preaching Through the Arts Day at the High School Preaching Conference and as part of the Dominican Family Panel for both conferences. S. Katherine enjoys sharing her experience of preaching with others and encouraging others to use their gifts and talents to share the Good News with those around them.

“I have seen what a transformative experience the conferences can be for young people through my time volunteering during the week and in my experience of working with the students who attended the retreat who were then able to share their experiences with the school communities after they returned.” S. Katherine adds, “I look forward to collaborating with those who love the Dominican spirituality and mission across the United States and for the opportunity to serve the Dominican Family. I am grateful for all the prayers I have already received as I look forward to this new ministry, and I know that your prayers will continue to sustain this ministry in service to young people who are called to join Dominic’s joyful vision of preaching”.

DYM’s Board of Directors as well as the Amityville Dominicans look forward to working with S. Katherine on continuing the programs already present and to create new exciting opportunities to engage our young people in the future.
Increased immigration enforcement around the country has led to understandable fear among undocumented immigrants, fear that has extended to accessing basic resources like education, economic assistance, and—perhaps most crucially at the moment—both mental and physical healthcare.

Recent studies have shown that in the U.S., immigrants—and particularly people without documentation—face disproportionately high rates of mental health issues, compared with the general population. Despite the high rates of mental health problems among undocumented communities, migrants and their families often do not seek professional mental health support.

That, experts explain, is partly due to cultural stigma surrounding mental health and partly due to laws and policies that mean that undocumented migrants could face deportation if they seek formal support.

One of our ministries, Opening Word (OPW), seeks to de-stigmatize mental illness, incorporate mental health vocabulary and understanding into the language literacy classrooms and inform extended family members about mental health and available resources. In addition, the women will have access to Group Therapy/PsychoEducation and high-quality psychotherapy services.

Molloy University’s Mental Health and Wellness Center (MHWC) has agreed to partner with Opening Word. Bilingual MHWC counselors will work with Opening Word staff and students.

In addition to offering the students of OPW access to individual and group therapy, Opening Word teachers and case managers will incorporate emotional and mental health vocabulary into the curriculum, and support students as they participate in the PsychoEducation and workshop series with ongoing enrichment and development—including mindfulness and meditative practice. Opening Word will reinforce an anti-stigma message and encourage students to share lessons learned with family members.

Community members continually ask S. Margaret Smyth, North Fork Spanish Apostolate (NFSA) Executive Director, for medical care resources.

The immigrant population in the surrounding Riverhead, Long Island, NY communities live in poverty with little or no access to health insurance. Lack of English language literacy, cultural barriers, lack of health literacy, and fears of prejudice and deportation hinder access to medical care. Due to the pandemic, this already vulnerable population has become overburdened with job loss, food insecurity, and overcrowded housing; contributing to increased poor health. Without insurance and financial means, primary care visits are nonexistent. Chronic conditions, such as diabetes, obesity, high
blood pressure, and work-related injuries go undiagnosed and untreated. NFSA community members are prone to increased emotional distress, medical complications and higher costs for treatment and hospitalizations.

The majority of immigrants residing on the East End are day workers, farm workers and/or unemployed. While there are cultural differences among immigrants, the immigrants that S. Margaret serves share the commonalities of poverty, isolation, prejudice, and lack of English language skills. Combining the lack of language skills with the lack of economic opportunities, parenting skills, education, civic awareness, and access to health and human services, a cycle of poverty exists which inhibits healthy outcomes as well as social, economic, emotional and educational success for the children and their parents.

One of S. Margaret’s many goals is to make medical care reachable to this community. Partnering with Suffolk Primary Health (SPH), a NY State-Licensed Article 28 Facility focused on serving at-risk and underserved populations has agreed to collaborate with NFSA to offer the uninsured and underinsured affordable access to medical care.

This project will serve uninsured and underinsured poor immigrant men and women 18 and older making medical care accessible and affordable for 60 community members, on average three visits each, inclusive of prescription drugs, blood work and imaging, as needed.

As we enhance access to healthcare; provide affordable medical care to the uninsured and underinsured, we expect to decrease health inequities among this underserved immigrant community, increase health literacy, increase healthy outcomes for chronic illness, promote overall wellness, reduce emergency room visits – programs like this have been shown to reduce ER visits by as much as 80%, and help employment-fragile patients maintain employment by staying healthy and able to work consistently.

Both of these projects were made possible by funding from the Long Island Community Foundation and the Pascucci Family Foundation.
The Sisters of St. Dominic of Amityville are grateful to all donors who made an investment during the 2021 - 2022 fiscal year, which ran from July 1 to June 30. These gifts play an important role in advancing our mission.

DOMINIC’S FAMILY OF WINNERS

On the second Wednesday of each month from September to June, we will draw one lucky $500 cash prize winner. In addition, we will have three Bonus Drawings of $1,000 each: in October for the Feast of Queen of the Rosary; in December for Christmas; and in April for the Feast of St. Catherine of Siena. If you should be one of our lucky winners, your ticket will go back in the drum, making it possible to win more than once in the given year. Tickets are $10 each. Your donation will help the Sisters provide for their elderly members and enable them to continue their ministries.

For more information contact the Office of Advancement at 631-842-6000 ext 246

AND GOOD LUCK!

EVENTS

Luncheon 2021
On Friday, June 25, 2021, the Sisters of St. Dominic of Amityville hosted their 20th annual Beauty of the Spirit Luncheon. This year’s virtual event featured veteran news anchor, Carol Silva, as the emcee. Program segments focused on the mind/body/spirit connection and included interactive workshops on tai chi, gardening, and painting.

The event raised $65,000 and proceeds will assist in enhancing internet services, video conferencing subscriptions, as well as investing in laptops and desktop computers to strengthen the creation and delivery of streaming worship, workshops, and other gatherings.

2021 Dominican Gala
This year’s Dominican Gala was hosted virtually on Friday, October 22, 2021. The Congregation honored Gary Bonelli, owner of Bonardi Construction, and Sister Jeanne Clark, OP, founder of Homecoming Farm.

Thanks to the generosity of our benefactors and sponsors, the event raised almost $160,000 for the Ministry Support Fund.

Irish Night 2022
Thanks to the generosity of our loyal supporters, this year’s virtual Irish Night raised almost $40,000. We heard from so many attendees that they thoroughly enjoyed S. Peggy Murphy’s storytelling and songs, the Molloy University Pipe Band and the entertainment provided by Irish Singer, Andy Cooney, as well as the Irish step dancers for the Doherty Petri School of Dance.
PLANNED GIVING

Making a planned gift is a smart way to support the Sisters while meeting your estate-planning, and philanthropic goals.

With proper planning, you may increase the size of your estate and reduce the tax burden on your heirs while making a meaningful contribution to the Congregation.
